WORK EXPERIENCE

Guosen Securities

Shenzhen, China

Fixed Income & Debt Capital Markets Intern

June 2026—July 2026

- Authored industry analysis and macro-positioning sections for a ¥316M bond prospectus; performed rigorous due diligence on financial statements, identifying and rectifying a critical classification error regarding long-term debt obligations.
- Studied CGB curve movement, credit spread dynamics, and duration/convexity mechanics relative to benchmark comparables on the China Interbank Bond Market during onboarding, building the market context that fed into the desk's bond pricing forecast
- Co-authored a China government bond pricing forecast with the desk lead, synthesizing GDP, CPI/PPI, and PBoC policy data with geopolitical risk factors, ultimately producing a directional 10Y CGB call in a research report presented to the desk

Zenith Studios

Remote

Co-Founder, CEO, Community Manager, Creative Director

2022—Present

- Scaled top performing group's sales to 100,000+ units quarterly, structured and facilitated multi-step virtual currency pipeline converting hundreds of millions of Robux from model sales to cryptocurrency and USD, realizing multiple six figures in profit.
- Manage, oversee the development of, and distribute professionally developed 3D models within Roblox communities

Cleveland Clinic, Lerner Research Institute

Cleveland, Ohio

Research Intern at Dr. Ela Plow's Neuro-rehabilitation Lab

June 2023—August 2024 (Seasonal)

- Shadowed neurologists during 15+ patient therapy sessions, gaining insight into post-stroke rehabilitation methods
- Conducted statistical analysis using ANOVA and cluster analysis on 120+ de-identified patient datasets, identifying clusters of stroke survivors with distinct upper extremity impairment levels to support targeted rehabilitation

ACTIVITIES & LEADERSHIP

Buckeye Private Equity/Venture Capital

Columbus, Ohio

Venture Capital Associate

February 2026—Present

- Worked with Kalshi (prediction market startup) to design user growth and marketing strategies to scale monthly active users
- Pitched a \$25,000 trader-acquisition strategy for the Masters, executed by Kalshi's team, driving first-time traders at a low CAC

Buckeye Capital Investors

Columbus, Ohio

Associate: Media and Communications Sector

February 2026—Present

- 1 of 20 students selected from over 200 applicants to complete a new member program focused on financial accounting, macroeconomics, fundamental analysis, portfolio management, and valuation methodologies
- Completed a DCF and Monte Carlo simulation for \$FTNT for a pitch competition presented to a panel of executive board members

Buckeye Trading Association

Columbus, Ohio

President, Founder

September 2025—Present

- Secured official university approval, established and recruited executive board, and registered club bank account to manage finances
- Led the club to second place in the OSU Kalshi Collegiate Markets Cup trading competition with \$6900 in profits over 3 months

Alliance of Youth Leaders in the United States

Cleveland, Ohio

Co-President, Founding Member

July 2023—August 2025

- Coordinated volunteering sessions with organizations such as the Cleveland Kids' Book Bank, Greater Cleveland Food Bank
- Contributed over 100 volunteer hours toward improving local access to food, education, and resources through active service

The United States of America Wushu Kungfu Federation

Cleveland, Ohio

National Team Competitor

January 2022—January 2024

- Competed at the 4th Pan American Kungfu Championship, winning gold and silver medals in 2 events for team USA
